

# ECONOMIC IMPACT OF THE MINNESOTA PET SECTOR

Minnesota is just one part of the American pet sector that supports 2.75 million jobs nationwide. The U.S. pet sector contributes \$303 billion directly and indirectly to America's economy and \$217 billion in annual gross domestic product. The care and companionship of pets is integral to not only the emotional and physical well-being of people, but also to the strength and stability of our economy.

There are  
**2.3M**  
households  
in Minnesota

About  
**54%**  
own at least one pet

About  
**36%**  
own at least one dog

And
